# In Summary:

The Katherine & District Show stands as the premier event on the Katherine calendar, drawing attendees from across the region, Territory, and Northern Australia. Trade sites are in high demand, with over 34,000 visitors passing through the gates over the two show days last year. The equestrian events kick off on the Tuesday of Show week, followed by the Campdraft running from Thursday to Saturday, and the Rodeo lighting up Friday and Saturday nights.

The essence of the Katherine Show lies in its deep community engagement, making it a prime opportunity for major sponsors to invest. Beyond providing invaluable services to the community, major sponsors gain extensive advertising coverage and promotional benefits, reaching not only the residents of Katherine but also extending to rural and agricultural communities throughout Australia.
