

19th & 20th July 2019

# Sponsorship Prospectus

## 54th Katherine Show

### Overview

The Katherine & District Show has always been a major event on the Katherine calendar drawing people from all over the region, from across the Territory and Northern Australia. In 2018 we celebrated our 53rd Show, what an outstanding event it was, with lots of free entertainment for kids and adults alike. Trade sites were fully booked out and we had over 20,000 people through the gates over the 2 show days.

Equestrian events commenced on the Tuesday of Show week, the Campdraft runs from Wednesday to Friday and the Rodeo is on Friday and Saturday nights followed by live entertainment.

The Katherine Show is the biggest community event of the year and winner of the "Community Event of the Year 2016" with families from all over the district taking part in the activities or watching events. Some of the highlights from 2018 were the Dinkum Dinosaurs, Xtreme Trials Shows, Vintage Car Display, Dog jumping & Dog novelty challenge.

The community involvement is what makes the Katherine Show such good value for major sponsors to invest in. Besides providing a service to the community, major sponsors receive abundant advertising coverage and promotional benefits that reach not only the people of Katherine but all of the rural and agricultural people and organizations within a wide ranging area.

### What do the Community get from the Show?

- The community coming together to form & express a sense of communal identity.
- Families having fun & increasing their family happiness & wellbeing.
- Children & young people gaining life skills & confidence, & feeling part of the community.
- Volunteers helping their community.
- Competitors having an opportunity to showcase their talent & livestock.
- A show that is of the community, for the community and most importantly by the community.

# Sponsorship Levels:

(all prices include GST)

|                             |               |
