## CLEANING OF TOILETS & OTHER SUNDRY

### Preamble

Katherine Show Day falls on the third Friday of July each year.

The Katherine & District Show Society has control of the Showgrounds from 2<sup>nd</sup> July. Preparation and setting up will occur throughout the Showgrounds during this period.

Events on the main arena commence on the Tuesday prior to Show day and continue through to Saturday evening. Friday and Saturday are the Show Days during which time there will be activities occurring throughout the entire Showgrounds.

Packing up and departure of exhibitors and stall holders occurs predominantly on the Sunday with vacation of the grounds occurring by the Tuesday following Show day.

"KDSS" means the Katherine & District Show Society Incorporated.

EOI means Expression of Interest

Contracts for Expressions of Interest may be withdrawn or not awarded at the discretion of KDSS.

The successful contractor will not necessarily have the lowest price but will provide a value for money service that will comply with the standards expected of KDSS. Please attach any supporting documentation with your application.

Contractors are to familiarise themselves with the layout and position of the Katherine Showgrounds and location of facilities and equipment, prior to submitting applications.

All toilet facilities must be cleaned with disinfectant and appropriate cleaning solutions. The MSDS will need to be available, to ensure the correct first aid is applied, along with ensuring that all substances are stored correctly.

Floors must be mopped and excess water removed. A "Wet Floor" sign must be in place during the hazard period. It is the Contractors responsibility to provide and use the correct chemicals for the toilets. KDSS will supply toilet rolls, paper towels and soap; the toilets are to be kept stocked with these from Sunday onwards.

The Cleaning Contractor is required to attempt to resolve any malfunctions of the toilets prior to advising KDSS who will contact a plumber. Only the plumbers nominated by KDSS are permitted to carry out plumbing works during the period of the Show.

The Katherine Town Council inspector will inspect the toilet blocks and payment will be made subject to the inspector accepting the standard of cleanliness during the Show and on final clean up.

All Contractors who will be utilising the services of a subcontractor in order to carry out this scope of works must make this clear in their EOI.

The successful Contractor will be required to supply proof of insurance cover in the form of a "Certificate of Currency". Minimum insurance coverage should be \$10,000,000. An agreement between the successful applicant (the Contractor) and KDSS will be entered into and KDSS shall then inform the Contractor of their nominated representatives and provide contact details. Contractors are to take instructions only from the nominated persons.

The Contractor is to supply KDSS with the name and mobile telephone number of their **onsite** person in charge and full names of employees during site induction and NO LATER than 3<sup>rd</sup> July 2023.
